TRINITY LODGE,

CAMBRIDGE.

May. 15. 1927.

Dear Sir John.

I delayed answering your kind invitation to view the Eclipse in the hope that I might be able to escape from some of my numerous Engagements about that time and avail myself of it. I regret that I have not been able to do so but I am none the less grateful for the opportunity you afforded me. I wish I could have availed myself of it. Yours very sincerely
